

## Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over 60 years of experience successfully marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are devoted to offering top quality and new design concepts so as to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They enjoy offering items which energize both their dealers and their partners and offer production gains to their customers.

The team at TREK enjoys tackling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' skills and requirements along with their understanding of cleaning applications, along with owners' strong desire to dramatically reduce expense through productivity gains.

The employees at TREK and their dealer-partners are strongly dedicated to having both technical support and parts obtainable when it is required. Their high service commitment is among the core values in their customer service. Keeping their customers' cleaning machinery ready and working everyday is top priority. The company's top of the line technology delivers dependable equipment which ultimately lowers your cost of cleaning. The service, the product and the price all work together to make them an industry leader.
