

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning equipment which are recognized within the business as durable and strong machinery that meets the needs of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind version of floor scrubber along with the Clarke Company that is currently also owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln can supply warranty service, equipment and parts for these scrubbers that carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers such as Wal-Mart and Target. The 7765 line has earned the respect of various facility supervisors where results and efficiency count. Lately, this particular floor scrubber model has been utilized by the architects in various construction projects such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this sweeper scrubber on location due to the model's high standard of quality and supreme performance level for polishing concrete.
