

Rockwell Part

Rockwell Parts - AxleTech International is a premier provider in the globe of specialty vehicle drive-train systems and parts along with off highway vehicles. The company prides itself on being its customers' chosen supplier. AxleTech strives to meet and exceed their customers' expectations for technology, delivery, quality and service. They believe in working in an atmosphere that encourages the highest integrity with empowered teamwork, combined with a unyielding pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively applying principals of environmental stewardship and safety in how they do business. The business has put different programs in place in order to articulate these values in their business policy. AxleTech gladly shares this policy and welcomes interested parties to offer them with whatever questions or comments, because they are glad to share and promote this policy with a greater knowledge of their efforts. They are extremely committed to preserving and improving the surroundings. AxleTech has an EHS program that not just protects the environment but which also actively protects their neighbors and staff too.

AxleTech prides themselves as being an innovative drive-train solutions provider. They specialize in manufacturing and designing planetary axles meant for both military and commercial applications. These applications vary from airport ground support to construction equipment. AxleTech specially designs axles to meet certain application demands. They have more than one thousand different axle specs within their current offering. With over 100+ years of experience and history, AxleTech proudly supplies the most complete solution for whatever of your axle needs. The business is well known in numerous commercial and military applications. They provide complete axle assemblies for aftermarket replacement needs, together with servicing axle needs for OE production. Their high mobility ISAS have further details which could be found in the "ISAS" product collection.
